English and Maths Tutor Project for 10-11's & 11-12 year olds

Do you want your child to have the best education possible? Does your child need extra help with English or maths and improve their grades? Have you considered additional private tuition in Maths and English for your son or daughter?

CYCD, as part of its Supplementary School Programme, is launching its English & Maths Tutor Project in September with qualified teachers and small class sizes which forms the basis of a tailored learning programme just for your child. We use proven tuition methods, combined with regular progress updates, to ensure your child's success. CYCD is based in the Bury Park area of Luton and has significant experience of working with children and young people.

Our focus:

-  Expertise in English & Maths
-  KS2 & KS3 (10-11 & 11-12 year olds)
-  Qualified Teachers
-  Proven Method of Tuition
-  Individual & tailored Learning Programmes
-  Exam Preparation
-  Builds confidence, self-esteem & motivation

What are the benefits for my child

- Improved educational achievement particularly in English and Maths but improved achievement across all curriculum areas
- Improved confidence and self esteem
- Improved communication skills
- A national survey found that eight out of ten supplementary school pupils said it helped them with their mainstream schoolwork

If you would like more information or to register your child please contact:
